

Woodstock Progressive Milk Producers' Association

2026 Scholarship Application

The Woodstock Progressive Milk Producers' Association is pleased to offer at least one scholarship of at least \$1,500 for the Spring 2026 semester. The Scholarship was established to assist members and their families in their post-secondary educational pursuits. Scholarships are available for technical school, 2-year, and 4-year institutions.

If a student is not enrolled in a post-high school program during fall semester 2025 but plans to be full-time in Spring 2026, the Board may delay awarding of the scholarship until after Spring 2026 semester grades have been reported. **Students should still apply by the January 4, 2026 deadline.**
